I have completed my review. However, I would like to look at the cleaned up version one more time after Greg completes his review. Thank you.

The attached slide deck has ERB-1 inputs for the PFAS slides for internal ERB-1 Review. Frank and I drafted Slide #s 12-14 and 17 related to broflanilide eco/PFAS issues. Please provide your inputs. Once I hear from you, I will incorporate our slides into RD's PowerPoint document. Thanks. Faruque
